

INSIGHTRISE SYMPOSIUM

 At the intersection of curiosity and discovery lies the pulse of **InsightRise Symposium**.

This event is like a dynamic marketplace of ideas, where undergraduates come together to showcase their latest findings and breakthroughs. It's a buzzing hub of intellectual exchange, where minds collide, collaborations spark, and new horizons of knowledge are illuminated. From unveiling cutting-edge technologies to delving into the depths of ancient mysteries, it's a thrilling journey of exploration and discovery. 

From infrastructure development to sustainable construction practices, we welcome presentations on all facets of Civil Engineering. Join us and share your innovative ideas with experts in the field.

Eligibility: UG student

Time limit: 10 minutes

EVENT STRUCTURE:

Round 1- Online Submission of Research Work

In the initial stage of the competition, participants need to submit a summary of their Research Work **in ppt format**. This online sharing is just the start, like a preview of what's to come in the next rounds of the competition!

Participants **can add a short video presentation** for better clarification.

Round 2 – Live Presentation

Participants move forward to the exhilarating 2nd Round, where the spotlight shifts to the live stage.

Each **Presenter** will be given a specific time slot to bring their research to life through an **engaging live presentation**.

Rules:

- Presentations are limited to **10 minutes maximum** and **5 minutes** will be provided for **Q&A session** for each presenter.
- Language of the presentation should be **English**.
- The language used in the presentation should be clear and **appropriate for a general audience**.
- The decision of the adjudicating panel is final.

Judging Criteria

- Appropriateness of content.
- Presentation clearly described the **research strategy/design** and the **results/findings of the research**.
- **Ability to address questions effectively.**
- The PowerPoint slide was well-defined and enhanced the presentation.
- Presentation clearly described the **conclusions, outcomes** and **impact of the research**.
- The presenter conveyed **enthusiasm** for their research and captured and maintained the audience's attention.

Prizes:

- **1st Position:** Prizes Worth ₹4,000
- **2nd Position:** Prizes Worth ₹2,000
- **3rd Position:** Prizes Worth ₹1,000

Registration Fees: ₹49 per participant

 Join us in this intellectual feast, showcase your Civil Engineering prowess, and seize the chance to win exciting prizes! Let the battle of wits begin, as we celebrate the brilliance of Civil Engineering knowledge at **Shilp**, the annual fest of the Civil Engineering Department, IIT (BHU).
