

3 MINUTE THESIS

Elevating Ideas, Igniting Minds

- 🕒 Can you explain your research in just 3 minutes?
- 📄 Can you make your points clear with only three slides?
- 🗣️ Can you turn complex ideas into a simple and engaging story?

If yes, then the 3 Minute Thesis challenge at SHILP 2025 is for you!

Event Structure:

Research is powerful, but only if it's understood. **The 3 Minute Thesis** competition challenges **M.Tech and Ph.D. students** to transform their research into an engaging, clear, and impactful narrative — all within just three minutes and three slides.

Competition Format :

Round 1 (The Blueprint Stage) :

- Participants submit a **3-slide** presentation deck showcasing their research.
- The best submissions will move forward to the live showdown!

Round 2 (The Spotlight Moment) :

- The selected participants take the stage to deliver their 3-minute pitch in front of an audience and judges.
- This is your moment to shine, where clarity, storytelling, and impact will make all the difference!

Rules :

- **Time Limit:** Exactly **3 minutes**. Exceed it, and penalties apply!
- **Slide Limit: 3 slides only**—excluding introduction and thank-you slides.
- **Who Can Participate?** Open to **M.Tech and Ph.D. students** in Civil Engineering.
- **Ethical Standards:** Keep it professional, engaging, and respectful.
- **Language:** Presentations must be in **English**.

Judging Criteria:

Judging is based on *clarity, engagement, visual impact, time management, and adherence to rules*—make it clear, compelling, and within the time limit!

Prize

- 1 1st Prize: worth ₹4,000
- 2 2nd Prize: worth ₹2,000
- 3 3rd Prize: worth ₹1,000

🚀 Why Join?

Because your research deserves to be heard. Because great ideas should not be buried in papers. Because in just 3 minutes, you can *change how people see the future*.

So, are you ready to elevate your ideas and ignite minds?

Join us at **SHILP 2025** and let's make research *exciting, impactful, and unforgettable!* 🚀
