

SURVEYOR'S HUNT

Embark on an exhilarating journey with "Surveyor's Hunt", a thrilling event where participants employ navigation and problem-solving skills to uncover hidden hints, unlocking a trail that leads to the ultimate treasure! 🔍

Themes

"Navigate the terrain, decode the clues, and unearth the ultimate prize in Surveyor's Hunt – where strategy meets adventure!"

Participation Limit: Each team can have a maximum of 2 participants.

Event Structure:

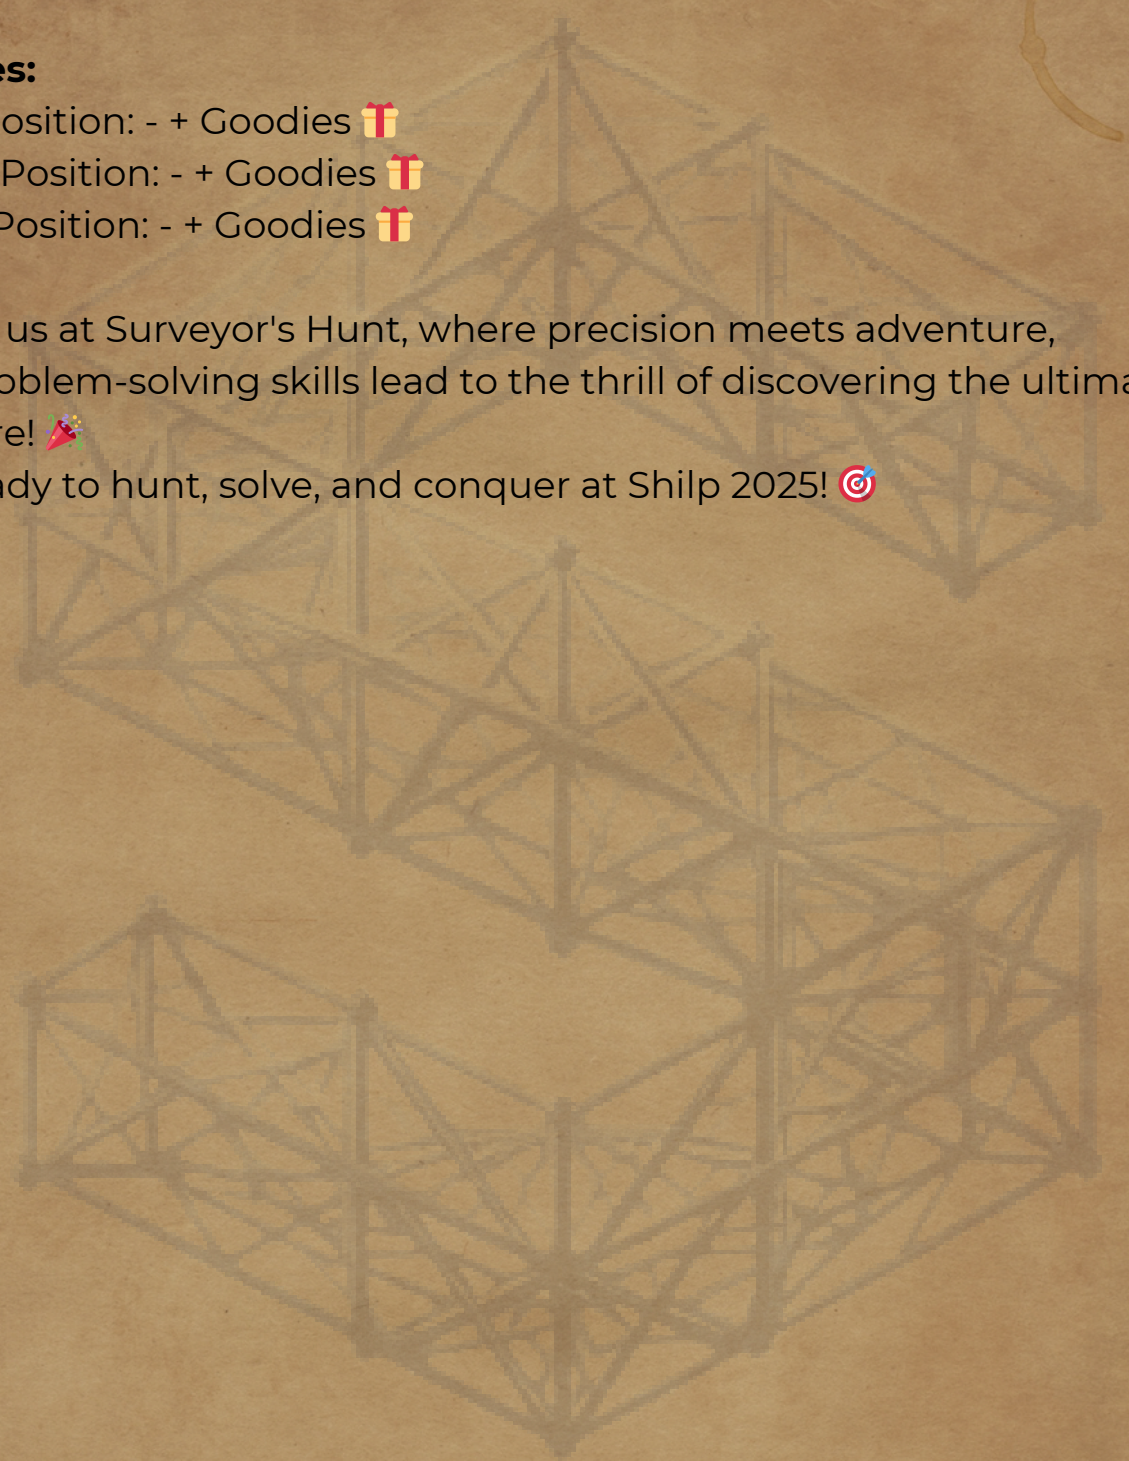

Treasure Hunt:

Objective: Locate the treasure by following a series of clues that lead to different checkpoints, ultimately guiding teams to the final destination.

Rules:

1. Teams will be assembled at the starting point, where each team will receive their first clue.
2. Successive clues must be found at different locations by correctly interpreting the previous clue.
3. Each clue will provide specific instructions, such as directions, distances, or logical puzzles.
4. Each outside team will be assigned a volunteer to guide them along the way.
5. The final clue will lead all teams to the same ultimate treasure.
6. The first team to correctly navigate through all points and reach the treasure will be declared the winner!
7. Skipping any clue will result in disqualification – teams must complete the full journey!

Time Limit: 3 hours to complete the hunt.

Prizes:

-  1st Position: - + Goodies 
-  2nd Position: - + Goodies 
-  3rd Position: - + Goodies
