

VINTAGE VISIONARIES :THE CASE CHALLENGE

It is a case study competition where participants analyze historical civil engineering marvels and present solutions to judges. It challenges them to explore historical structures, understand their engineering significance, and propose innovative approaches to preservation, restoration, or modernization.

Event Structure :

Team Size : Each team can have maximum 2 participants.

Competition Format :

Round 1: Case Study Submission Round(Online):

Rules:

1. There will be 5 problem statements provided. Each team must choose only one problem statement to work on.
2. Participants must submit a case study in the form of a presentation.
3. The presentation should consist of maximum 6 content slides, excluding the introductory and thank you slide.
4. Participants must submit their presentation within the given deadline. Late submissions will not be accepted.
5. All content should be original. Plagiarism or direct copying from sources without proper citation may lead to disqualification.

Round2: Presentation Round(Offline)

Rules:

1. Shortlisted participants from Round 1 will be invited to an offline presentation round.
2. Each participant will have 4 minutes to present their case study, followed by questioning from the judges and other teams.
3. Participants will be evaluated on basis of choice of words, impact of presentation, clarity while speaking, quality of answers to questions, relation to factual data.

Prizes:

- 1 1st Prize: ₹4,000 + Exclusive Goodies
- 2 2nd Prize: ₹2,000 + Exclusive Goodies
- 3 3rd Prize: ₹1,000 + Exclusive Goodies

Why Join?

Join Vintage Visionaries to explore the brilliance of historical civil engineering marvels while enhancing your research, analytical, and presentation skills. Compete with like-minded individuals, present your ideas to esteemed judges, and gain recognition for your problem-solving abilities.
