

CartoDraft: The Blueprint Battle

From Sketch to Screen – Transforming Structures into Precision Drafts!

Overview : CartoDraft is a high-intensity competition designed to test participants' drafting skills by converting real-world structures into precise 2D architectural drawings using AutoCAD. This challenge is ideal for those with an eye for architecture and the precision of an engineer.

Event Structure :

Step 1 : Observe & Sketch – Capture the essence of real-world structures with detailed rough sketches.

Step 2 : Draft & Digitize – Transform sketches into precise AutoCAD drafts with accuracy and finesse.

Team Size : Maximum 2 participants per team.

Competition Format :

Round 1 : Rough Sketching & Observation (60 minutes)

- Participants will be assigned a real-world structure to analyze.
- They must create rough sketches of the front, side, and top views.
- These sketches will serve as the foundation for the next round.

Round 2 : AutoCAD 2D Drafting (2 hours)

- Participants will convert their sketches into detailed AutoCAD drawings.
- The final submission must include three views:
 - Front Elevation
 - Side View
 - Top Plan

Rules:

- Software Restriction: Only **AutoCAD** is allowed.
- Submission Format: All final drafts must be in **.dwg** format.
- View Requirements: Submissions must include **front, side, and top views**.
- ⏰ Time Constraints: Participants must strictly adhere to the time limits in each round.
- 🚫 No External Help: Any form of cheating or external assistance will lead to disqualification.

Judging Criteria:

- Accuracy & Precision – How well does your AutoCAD draft match the real-world structure?
- Time Management – Completion of the task within the given timeframe.
- Presentation & Neatness – Clarity, organization, and overall visual appeal of the final draft.

Prizes

- 🥇 1st Prize: ₹4,000 + Exclusive Goodies
- 🥈 2nd Prize: ₹2,000 + Exclusive Goodies
- 🥉 3rd Prize: ₹1,000 + Exclusive Goodies

Why Join?

- 1.Improve Your Drafting Skills – Get better at sketching and using AutoCAD.
- 2.Show Your Talent – Get recognized for your accuracy and precision.
- 3.Win Exciting Prizes! – Earn cash prizes and exclusive goodies.

Are you ready to observe, sketch, and draft?

Join **CartoDraft** at **SHILP 2025** and prove your skills!
