

CODEBLITZ-(Hackathon)

Dive into the world of innovation and problem-solving with CodeBlitz, an event that invites coding enthusiasts, developers, and creative minds to collaborate, ideate, and build groundbreaking solutions.

Event Structure:

Team Size : Each team can have maximum 2 participants.

Hackathon(Online):

Objective: Build a website according to a provided problem statement.

Guidelines:

- Participants will get 30 hrs to build the website.
- Participants must create an engaging UI/UX and develop one/more pages as per the PS endpoints.
- A GitHub repository will be provided—participants must fork it and submit their final solution via a pull request.
- The hosted website link must be included in both the pull request description and the participant's GitHub profile.
- The link should be of the website hosted on any of the platforms Netlify , Vercel, Heroku etc.

Prizes:

-  1st Position: Prizes Worth ₹4000
-  2nd Position: Prizes Worth ₹2000
-  3rd Position: Prizes Worth ₹1000
